

AccountMate Software Corporation Announces Annual Partner Achievement Awards

AccountMate President's Award, Director of Sales Award and Vertical Partner Integration Award

Petaluma ([PRWEB](#)) November 05, 2015 -- Three prestigious awards were presented by AccountMate management at their recent RoundTable event in Orlando, Florida. The winners were recognized for their outstanding achievements during the past year.

The President's Award went to Alex Kleyff of A.K.A. Consulting, Inc. in Staten Island, New York. A long-time AccountMate Solution Provider, Alex has been servicing AccountMate clients since 1996. When David Dierke, President and CEO of AccountMate, presented the award, he thanked Alex for his "consistent championing of AccountMate software and his untiring dedication to his clients". David acknowledged how much "Alex's energy and willingness to voice his opinion has benefited AccountMate in better understanding the perspective of our reseller channel and their clients as management worked through decisions regarding programs, policies and future product enhancements. This award also acknowledges the partnering Alex does with AccountMate vertical solutions to gain his clients more efficiencies."

The Director of Sales Award was presented to Tim Olson of BITTT Enterprises of Naperville, Illinois. Bill Bailey, Director of Sales of AccountMate, presented the award by saying, "Tim has a keen understanding of business process management and the ability to analyze a company's business rules, procedures, and workflow. He genuinely acts as an independent consultant to advise his clients on the right combination of technologies and strategic planning to improve and optimize internal business systems."

Donna DeRosa, Vice President of Marketing, presented the Vertical Solution Partner Innovative Integration Award which went to Dan Chang of SPS Commerce. Known for their retail network, cloud EDI and analytics, SPS brings a seamless collaboration with AccountMate clients and their EDI retail trading partners. Donna reinforced the message that "tight integration with the AccountMate Software system is paramount to having EDI data transmitted in real time with trading partners. Working with EDI, the process and testing parameters that SPS used to accomplish the AccountMate integration was impeccable. As a vertical partner, SPS continues to proactively drive interest and expertise to this EDI market space."

AccountMate Software Corporation is proud of their many world-wide Solution Partners and Vertical Solution Providers. These three achievement awards that were presented at RoundTable 2015 represented those few that made exemplary service contributions during the past year.
